

MHA Annual Report (May 2014 – April 2015)

MHA received orders letter from RoS on 28 Sept 2014 for not proper online registration with complained by internal member/members. Committee submitted explanation letter and ask to meet the officer in-charge but was declined, instead asked to go back and wait.

However, without call for hearing or meeting with RoS, MHA was suspended with termination letter on 7 November 2014, the appeal works and letters has non-stop sending to RoS, Ministries and Ministers to avoid unavailable to host OMC Asia Cup Open 2015 still not successful. As so, MHA was not able to host any year end gala dinner and show, neither to host the OMC Asia Cup Open 2015 as well.

The committee members are put on full effort just to rescue and get MHA for reinstatement along few months. Then, its only received the reinstatement letter (with condition) on 30th June 2015 from Ministry of Home Affairs, Malaysia.

Again, MHA committee members has to work on re-registration online with RoS within 90 days. Its took many trails and errors, travel up and down to RoS Shah Alam office just to do so and hope for its fully qualify by RoS conditions and satisfaction.

Committee members and ordinary members were open called by leading committee members many time to source for good or suitable candidates to volunteer in MHA, and next to be nominated as Committee member for coming election. However it was no feedback from any members.

MHA members need to be proactive to take part in MHA activities, giving suggestion or offer themselves to be elected as committee member for MHA able to continue contribute to Malaysia hairdressing industry.
